AfiScooter S4

4 wheel

The AfiScooter S is winner of the prestigious Red Dot Design Award. It offers an impressive driving range, an ergonomic design to make the ride more comfortable, a programmable electronic controller, LCD control screen and LED headlights. The AfiScooter S has a fully adjustable tiller and an integrated canopy for protection from sun and light rain. The AfiScooter S has a fully adjustable orthopedic seat and adjustable shock absorbers and a sturdy steel frame. The 4 wheel model suspension and steering systems provide a pleasurable carlike driving experience on long distance trips.
