December 2014

Keep going Christmas is nearly here.

Mickey Rooney said "I keep going because if you stop you stop. Why retire? Inspire.

Steve Tarrant from England is an inspiration he kept going and set a Guinness World Record for 'Greatest distance covered in 24 hours by a mobility scooter'.

Inspirational disabled motorsport marshal set an epic new 24-hour World Record on the **Breeze S** supported by Afikim electric vehicles distributor in the UK. Steve Tarrant, from Poole, is a remarkable disabled motorsport marshal, who has achieved a new world record at Goodwood Motor Circuit, Chichester, UK, by driving the furthest distance ever in 24 hours on **Breeze S**, Steve completed his epic world record challenge breaking distance of 306.1km by driving through the night and completing over 1,800 laps of a 167m circuit, only stopping briefly for battery changes. The **Breeze S** delivered 100% reliability and extraordinary battery range.

Don't forget! To bring a Breeze S or another Elite Scooter to your home or workplace for a **FREE TEST DRIVE**. Simply give us a call on **0800-354-837** to arrange time and location.

Have you seen the new website yet?

We now have a fabulous new online system that will help you to easily find everything you need at Elite Scooters, including:

- Products grouped into clear categories – 3 wheel, 4 wheel, golf and pre-loved.
- Tools to help you "Find My Scooter" and "Compare My Scooter".
- A dedicated page on Safety because we know this is important to us all.
- A new Scooter Care section to help you with everything to do with maintaining and caring for your Elite Scooter.

We would love to get your feedback on our upgraded website! So please take a look and send us your comments on our Facebook page or by email.
